DoSCI-2021

International Conference/Doctoral Symposium on Computational Intelligence

(Publisher: SPRINGER)

Organized by Institute of Engineering & Technology, a constituent college of Dr APJ Abdul Kalam Technical University Lucknow, India

Date: 06 March 2021

********* CALL FOR PAPERS *********

SPECIAL SESSION ON

Innovative Trends in Data Science, Green Computing, Natural Language Processing using Machine Learning Techniques

SESSION ORGANIZERS:

Dr. Archana Purwar, Jaypee Institute of Information Technology, Noida, India archana.purwar@gmail.com

Mob: + 91-8860547479

Dr. Arti Jain, Jaypee Institute of Information Technology, Noida, India

ajain.jiit@gmail.com
Mob: +91- 9313519476

SESSION DESCRIPTION:

The motive of this special session on Innovative Trends in Data Science, Green Computing, Natural Language Processing using Machine Learning Techniques is to bring researchers from academia and industries on a global platform to share their findings and latest developments in data science, green computing and natural language processing. Data Science is gaining attention from researchers, being driven among others by technological innovations and novel paradigms like Deep Learning. Energy efficient machine learning approaches are also being developed to meet the goals of Green Computing. Many industrial applications necessitate a need for efficient algorithms in Natural Language Processing and Data Science.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

- Knowledge Representation
- Machine Learning
- Deep Learning
- Agriculture Domain
- E- Commerce
- E-Governance

- Healthcare Systems
- Community Welfare
- Bioinformatics
- Language Models
- Natural Language Processing
- Human Centric Interaction
- Social Network Analysis
- Recommendation System
- Financial Analysis
- Image Recognition
- Medical Diagnosis
- Cyber Threat

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on Innovative Trends in Data Science, Green Computing, Natural Language Processing using Machine Learning Techniques on or before 10th January 2021. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at http://dosci-conf.com/paper_submission.html. All submitted papers will be reviewed on a double-blind, peer review basis. All the accepted papers are published by Springer AISC series (ISI Proceedings, EI-Compendex, DBLP, SCOPUS, Google Scholar and Springerlink) and extended selected papers will be published in the special issues of SCI/SCOPUS/WoS/DBLP/ACM indexed Journals.

Submission Link: http://dosci-conf.com/paper_submission

NOTE: While submitting paper in this special session, please specify "Innovative Trends in Data Science, Green Computing, Natural Language Processing using Machine Learning Techniques" at the top (above paper title) of the first page of your paper.
